

GUIDELINES FOR STUDENTS ATTENDING FOOD ACADEMY.

**Please note the Schools Food Academy takes place in
LISTOWEL COMMUNITY CENTRE (in the town park.)**

- Buses may drop off students in the car park at the Community Centre, there may not be enough space for all buses to park here.
- In the interest of student safety please escort all students into the Centre.
- We would appreciate if all students could be seated by 9.50am in order for the programme to commence at 10.00am
- Students should wear appropriate clothing to participate in exercise routines.
- We recommend that students have a light snack before attending the Food Academy as food tastings will not commence until 12.15pm.
- Water and an energy ball will be provided on arrival.
- A system will be in place to commence food tastings while exercise routines are taking place.
- Students will receive goodie bags before their departure.
- Winning entries for Bord Bia Competition will be on display at the venue
- Students are responsible for their own possessions during the event.
- We would appreciate if students used the bins provided when disposing of rubbish.

We hope that all students will enjoy and benefit from their experience at Listowel Food Fair's Food Academy for schools .

Thank you, Mairead Moriarty
